CONDITIONS FOR HIRE AND SALE OF GOODS TO CONSUMERS AND BUSINESSES

1 INTERPRETATION

1.1 In these conditions the following words have the following meanings:

"Consumer" an individual acting for purposes which are wholly or mainly outside that individual's trade, business, craft or profession;
"Contract" means a contract which incorporates these conditions and made between the Customer and the Supplier for the hire or sale of Goods;

"Customer" means the person, firm, company or other organisation hiring Hire Goods or purchasing Sale Goods;

"Deposit" means any advance payment required by the Supplier in relation to the Hire Goods which is to be held as security by the Supplier;

"Digital Content" means data which is produced and supplied in digital form;

"Force Majeure" means any event outside a party's reasonable control including but not limited to acts of God, war, flood, fire, labour disputes, strikes, sub-contractors, lock-outs, riots, civil commotion, malicious damage, explosion, terrorism, governmental actions and any other similar events;

"Goods" means any machine, article, tool, and/or device together with any accessories specified in a Contract which are hired or sold to the Customer;

"Hire Goods" means any Goods which are hired to the Customer;
"Hire Period" means the period commencing when the Customer holds the Hire Goods on hire (including Saturdays Sundays and Bank Holidays) and ending upon the happening of any of the following events:

(i) the physical return of the Hire Goods by the Customer into the Supplier's possession; or

(ii) the physical repossession or collection of Hire Goods by the Supplier;

"Liability" means liability for any and all damages, claims, proceedings, actions, awards, expenses, costs and any other losses and/or liabilities;

"Rental" means the Supplier's charging rate for the hire of the Hire Goods which is current from time to time during the Hire Period;

"Sale Goods" means any Goods which are sold to the Customer;

"Supplier" means Broughton Plant Hire and Sales at the address stated at the end of these terms and will include its employees, servants, agents and/or duly authorised representatives;

"Services" means the services and/or work (if any) to be performed by the Supplier for the Customer in conjunction with the hire or sale of Goods including any delivery and/or collection service in respect of the Goods.

2 BASIS OF CONTRACT

2.1 Goods are hired or sold subject to them being available for hire or sale to the Customer at the time required by the Customer. The Supplier will not be liable for any loss suffered by the Customer as a result of the Goods being unavailable for hire or sale where the Goods are unavailable due to circumstances beyond the Supplier's control.

2.2 Where hire of the Hire Goods is to a Customer who is an individual, unincorporated entity or a two (2) or three (3) partner business, and the hire would be covered by the Consumer Credit Act 1974, the duration of the Hire Period shall not exceed 3 months, after which time the Contract shall be deemed to have automatically terminated. Accordingly the hire of any Hire Goods is not covered by the Consumer Credit Act 1974. In such circumstances, the Customer shall return the Hire Goods to the Supplier on the final day of the 3 month Hire Period. If the Customer fails to do this then it shall be liable for any financial loss which this causes the Supplier.

2.3 Nothing in this Contract shall exclude or limit any statutory rights of the Customer which may not be excluded or limited due to the Customer acting as a Consumer. Where the Customer is acting as a Consumer any provision which is marked with an asterisk (*) may, subject to determination by the Courts or any applicable legislation, have no force or effect and if any provision is under the applicable law of the Contract unenforceable in whole or in part or shall have no force or effect the Contract shall be deemed not to include such provisions but this shall not affect the enforceability of the remainder of the Contract. For further information about your statutory rights contact your local authority Trading Standards Department or Citizens Advice Bureau or if based in the Republic of Ireland your local office of the Director of Consumer Affairs or Citizens Information Centre.

3 FAULTY GOODS, DIGITAL CONTENT AND/OR SERVICES

3.1 Where the Customer deals as a Consumer, the Supplier is under a legal duty to supply Goods, Digital Content and Services that are in conformity with the contract between the parties. In such circumstances, the Customer has legal rights in relation to Goods and Digital Content that are, for example, faulty or not as described and in relation to Services that are, for example, not carried out with reasonable skill and care, or if the materials used to carry out the Services are faulty or not as described.

3.2 Advice about Customers' legal rights where they deal as a Consumer is available from their local Citizens' Advice Bureau or Trading Standards office. Nothing in these conditions will affect these legal rights.

4 PAYMENT

4.1 The amount of any Deposit, Rental, monies for Sale Goods and/or charges for any Services shall be as quoted to the Customer or otherwise as shown in the Supplier's current price list from time to

time. Where a Deposit is required for the Hire Goods it must be paid in advance of the Customer hiring the Hire Goods. The Supplier may also require an initial payment on account of the Rental in advance of the Customer hiring the Hire Goods.

4.2 The Customer shall pay the Deposit, Rental, charges for any Services, monies for any Sale Goods and/or any other sums payable under the Contract to the Supplier at the time and in the manner agreed. The Supplier's prices are, unless otherwise stated, exclusive of any applicable VAT for which the Customer shall additionally be liable.

4.3 Payment by the Customer on time under the Contract is an essential condition of the Contract. Payment shall not be deemed to be made until the Supplier has received either cash or cleared funds in respect of the full amount outstanding.

4.4 *If the Customer fails to make any payment in full on the due date the Supplier may charge the Customer interest (both before and after judgment/deed) on the amount unpaid at the rate implied by law under the Late Payment of Commercial Debts (Interest) Act 1998 (where applicable) or at the rate of 4% above the base rate from time to time of the Supplier's bank whichever is higher.

4.5 *The Customer shall pay all sums due to the Supplier under this Contract without any set-off, deduction, counterclaim and/or any other withholding of monies.

4.6 The Supplier may set a reasonable credit limit for the Customer. The Supplier reserves the right to terminate or suspend the Contract for hire of the Hire Goods and/or the provision of Services if allowing it to continue would result in the Customer exceeding its credit limit or the credit limit is already exceeded.

4.7 The Supplier reserves the right to store the Customer's credit card details on its password protected customer account system and further reserves the right to use such details against future Rentals made by the Customer.

5 RISK, OWNERSHIP AND INSURANCE

5.1 Risk in the Goods will pass immediately to the Customer when they leave the physical possession or control of the Supplier.

5.2 Risk in the Hire Goods will not pass back to the Supplier from the Customer until the Hire Goods are back in the physical possession of the Supplier. This shall apply even if the Supplier has agreed to cease charging the Rental.

5.3 Ownership of the Hire Goods remains at all times with the Supplier. The Customer has no right, title or interest in the Hire Goods except that they are hired to the Customer. Ownership of any Sale Goods remains with the Supplier until all monies payable to the Supplier by the Customer for the Sale Goods have been paid in full.

5.4 Until ownership in the Sale Goods passes to the Customer, the Customer shall:-

5.4.1 hold the Sale Goods on a fiduciary basis as the Supplier's bailee;

5.4.2 maintain the Sale Goods in satisfactory condition; and

5.4.3 keep the Sale Goods insured against all risks for their full price from the time they leave the physical possession or control of the Supplier.

5.5 The Customer must not deal with the ownership or any interest in the Hire Goods. This includes but is not limited to selling, assigning, mortgaging, pledging, charging, securing, hiring, withholding, exerting any right to withhold, disposing of and/or lending. However the Customer may re-hire the Hire Goods to a third party with the prior written consent of the Supplier.

5.6 The Supplier may provide reasonably priced insurance in respect of the Hire Goods at an additional cost to the Rental. Alternatively the Supplier may require the Customer to insure the Hire Goods for such reasonable risks as the Supplier may specify and any proceeds of any such insurance shall be paid to the Supplier on demand. The Customer must not compromise any claim in respect of the Hire Goods and/or any associated insurance without the Supplier's written consent.

6 DELIVERY, COLLECTION AND SERVICES

6.1 It is the responsibility of the Customer to collect the Goods from the Supplier, and, in the case of Hire Goods, return them to the Supplier at the end of the Hire Period. If the Supplier agrees to deliver Goods to and/or collect the Hire Goods from the Customer it will do so at its standard delivery cost and such delivery and/or collection will form part of the Services.

6.2 If the Supplier agrees to collect the Hire Goods from the Customer at the end of the Hire Period the Customer must give the Supplier reasonable notice which shall include at least three (3) working days' notice from the end of the Hire Period. The Customer shall remain responsible and liable for any loss, damage or theft to the Hire Goods until the Hire Goods are collected by the Supplier unless the Supplier fails to collect the Hire Goods within 5 working days of the Customer notifying the Supplier that the Hire Goods are ready for collection whereupon the Supplier shall be liable for any loss, damage or theft thereafter.

6.3 Where the Supplier provides Services the persons performing the Services are servants of the Customer and once the Customer instructs such person they are under the direction and control of the Customer. The Customer shall be solely responsible for any instruction, guidance and/or advice given by the Customer to any such person and for any damage which occurs as a result of such persons following the Customer's instructions, guidance and/or advice except to the extent that the persons performing the Services are found to be negligent by a court with jurisdiction to make such

finding pursuant to clause 14.8.

6.4 The Customer will allow and/or procure sufficient access to and from the relevant site and procure sufficient unloading space, facilities, equipment and access to utilities for the Supplier's employees, sub-contractors and/or agents to allow them to carry out the Services. 9.3 The Customer shall remain liable to pay the Rental for the Hire Goods up to and including the date it notifies the Supplier that the Hire Goods have been lost, stolen and/or damaged beyond economic repair.

9.4 In addition to the obligation in clause 9.3 to pay the Rental, from the date the Customer notifies the Supplier that the Hire Goods have been lost, stolen and/or damaged beyond economic repair until the date the Customer makes a payment to the Supplier for the replacement of the Hire Goods in accordance with clause 9.2 ("Lost Rental Period"), the Customer shall pay, as a genuine pre-estimate of lost rental profit, a sum as liquidated damages being equal to two thirds of the Rental that would have applied for such Hire Goods during the Lost Rental Period. The Supplier shall use its reasonable commercial endeavours to purchase replacements for such Hire Goods as quickly as possible once it has received payment from the Customer under clause 9.2 above.

10.3 Where a Customer exercises its right to cancel under clause 10.1 and has made payments in advance for Goods and/or Services that have not been provided to it, then the Supplier will refund these amounts to the Customer:

10.3.1 within 14 days of receipt of the Goods which have been returned by the Customer; or

10.3.2 (if earlier) within 14 days after the day the Customer provides evidence that they have returned the Goods; or

10.4 Where the Customer deals as a Consumer and requests in writing that the Supplier begins provision of the Services within the cancellation period set out in clause 10.1, then the Customer's right to cancel the Contract without incurring any charge or Liability will expire once the Supplier has completed the provision of the Services. If the Customer cancels the Contract once the Supplier has begun to provide the Services it shall be liable for all costs reasonably incurred by the Supplier in providing the Services up to the point the Supplier is informed of the Customer's decision to cancel the Contract.

10.5 Where the Contract is with a Consumer and:

10.5.1 is for the supply of accommodation, transport of goods, vehicle rental services, catering or services related to leisure activities; and

10.5.2 provides for a specific date or period of performance, the Consumer will not have a right to cancel the Contract without incurring any charge or Liability to the Supplier.

10.6 Where a Customer cancels the Contract under this clause 10, it shall return any Goods which the Supplier has provided to it at its own cost, unless otherwise expressly agreed in writing.

11 TERMINATION BY NOTICE

11.1 If the Hire Period has a fixed duration, then subject to the provisions of clause 12 neither the Customer nor the Supplier shall be entitled to terminate the Contract before the expiry of that fixed period unless agreed with the other party.

11.2 If the Hire Period does not have a fixed duration either of the Customer or the Supplier is entitled to terminate the Contract upon giving to the other party any agreed period of notice.

11.3 If no period of notice has been agreed or specified the Customer may terminate the Hire Period by the physical return of the Hire Goods to the Supplier.

11.4 If no period of notice has been agreed or specified either party shall be entitled to terminate the hire of the Hire Goods by giving not less than 14 days' notice to the other.

11.5 The rights set out in this clause 11 are in addition to any rights the Customer may have under clause 10 (and any other legal rights).

To the extent that any Liability of the Supplier to the Customer would be met by any insurance of the Supplier then the Liability of the Supplier shall be extended to the extent that such Liability is met by such insurance.
