

BROUGHTON PLANT HIRE

Hire Specialists to the Mechanical,
Electrical, HVAC and Fire Protection Trades

Re: Credit Account Application

It is the policy of Broughton Plant Hire to submit for completion a copy of our credit account form to all customers requesting a credit account.

We may ask for a payment, by credit card on the first order, accompanied by a completed credit application form.

This policy is established to:

- a) Provide time for the accounts department to approve credit applications and to establish a suitable credit limit.
- b) Provide evidence to our financial controller that the application is made in good faith and the customer has sufficient funds to pay for the hired or purchased equipment.

If we have received an initial payment and a completed application form our financial controller will endeavour to establish a line of credit suitable for both parties.

Please note that the completion of an account application form does not automatically establish a credit account. It merely starts the process of credit evaluation.

If we can not establish an immediate credit history we will set up a credit card account on your behalf to establish our own history, the account will then be reviewed periodically.

Thanking you in advance for expressing an interest in Broughton Plant Hire and Sales Ltd.
